Program Agreement

Please read the following information carefully. Please sign below to indicate that you understand and agree to the information.

Rosie's Garage is a place for children to learn, thrive, and feel good about themselves. We want to help students to progress in school and learn to cooperate with others.

INFORMATION AND BASIC RULES

- DICIPLINE:** It is a privilege to participate in Rosie's Garage. Children should follow the rules of the program. Disrespectful, disobedient, disruptive, and/or undermining behavior to other students, participants, Rosie's Garage employees, volunteers, interns, directors, agencies, or those involved with our programs, activities, workshops, or overall running of the organization will be grounds for sending the child home and can result in dismissal/termination from the program. Behavior defined as inappropriate, disrespectful, disobedient, disruptive, and/or undermining is up to the discrepancy of Rosie's Garage employees, directors and/or board, and able to change without notice by Rosie's Garage and its directors, employees, and/or board. We encourage you to talk to the Site Manager about your concerns about your child's behavior.
- ENROLLMENT:** Enrollment is limited. Our hope is to have enough room to accommodate all the children who wish to participate in the program; however, we are restricted in the number of students we allow to enter the program every year. After receiving your completed form, Rosie's Garage staff will call you to inform you if your child will be attending the program and what day and time it will begin.
- ATTENDANCE:** The program is designed to help the student complete their homework, school projects, or receive additional tutoring on core school subjects. Thus, if your child has no homework to complete or does not require our services, please do not send your child to the program as we aim to improve the quality of attention provided to those who actually require our services. **The program is not designed for childcare nor will Rosie's Garage as an organization or through staff, directors, board, employees, interns, and/or volunteers be used for the purpose of childcare.** From time to time there are trips, activities, and/or events for the students of the program to undertake. Participation is limited therefore students are selected by Rosie's Garage staff, director, employees, volunteers, and/or interns due to their good behavior and academic improvement. Events/activities/trips are scheduled in advance and information for release of liability released in advance. Your child must sign up to participate and we must have a release of liability on file in order for the child to be allowed to participate in any activities or trips.
- PICKING UP YOUR CHILD:** Participants of Rosie's Garage must be picked up by the person indicated on the registration form at the exit of the program. Your child(ren) must be picked up immediately after the program. If your child(ren) is/are not picked up at the exit of the program Rosie's Garage staff will try to contact you or the designated person in case of emergency. Should you and your emergency contact not be available, and the child(ren) doesn't/dont have a form releasing Rosie's Garage from liability should they be allowed to walk home, we will contact the local police department in order to insure your child(ren) is/are safe and allow our staff to be released from caring for and being responsible for your child. Late pickups may result in dismissing your child(ren) from the program. **I give my child(ren) permission to walk home and release Rosie's Garage of all liability that can occur due to my choice?**
Yes _____ No _____
- PARENT SUPPORT:** Although Rosie's Garage staff is dedicated and qualified, your help is necessary to make the best of the program. Rosie's Garage will have many events/activities/trips planned throughout the year. It is necessary for parents to participate in the organization in order for the child to remain enrolled in the program. You are an important partner in the success of your child's education; therefore, Rosie's Garage will not admit any student into the program unless the parents/guardians remain active in the
