

# ROSIE'S GARAGE

## A NEW NORMAL: POST COVID IMPACT ON OUR SERVICES

For the first time since our organization closed in March 2019 due to COVID19, Rosie's Garage has finally been able to offer the full array of hours and services. However, the number of attendees has not recovered to pre-COVID times. One of our current challenges is to increase enrollment numbers. Rosie's Garage aims to dedicate resources to improve enrollment by doing outreach events in local apartment complexes, schools, and parks.

## ABOUT US

**VISION** Ending generational poverty by educating one child at a time.

**MISSION** Provide, educate, and inspire a love of learning within a safe environment for at-risk children.
